Zoo Exhibit Fact Sheet

1.	Describe what your animal's zoo exhibit looks like in other zoos:			
2.	About what size will your exhibit need to be? (Think of the type of animal you			
	are creating an exhibit for.)			
3.	. What kind of barriers will you need (fence, glass, wall)?			
4.	What special features will you need to put in this exhibit (rocks, trees, water, shelters)?			
5.	Are there any special toys that you need to include in your exhibit? If yes,			
	what are they?			
6.	List any other special features you would include in your exhibit:			
	a			
	b			
	c			
	d
